GOALS

A large, empty rectangular box with a thin, light green border, intended for writing goals.

IMPLEMENT

A large, empty rectangular box with a thin, light green border, intended for writing implementation steps.

Available Technologies

Blog

Share your ideas and discuss them with students and peers and receive comments and feedback on the Internet

Wiki

Collaborate on papers and projects with students and other faculty on the web

Virtual web conferencing and team collaboration

Work with others outside of LMU using the Internet through web conferencing

Universal Internet Connectivity - The entire campus at LMU is completely wireless

Email - Access your email through the Web, Outlook (Windows) or Entourage (Mac)

BlackBoard - Manage your courses online for digital course material, virtual communication, etc.

Podcast (in Pilot) - Audio, video, and enhanced podcasts are made to disseminate information through iTunesU

Clickers - In-class interactive feedback and formative assessment

Audio/Visual Equipment - Video and audio recorders

Videoconferencing - Meet face to face with others from around the world

Perseus - Create surveys easily online

Microsoft Office

Word - Word processing software

PowerPoint - Presentation software

Excel - Spreadsheet software

iLife

iMovie - Movie creation and editing software

iPhoto - Picture editing software

Photobooth - Picture taking software

GarageBand - Music and podcast creation and editing software

iTunes - Music, movie, radio, and podcast player and storage

iWorks

Pages - Publishing and word processing software

Keynote - Presentation software

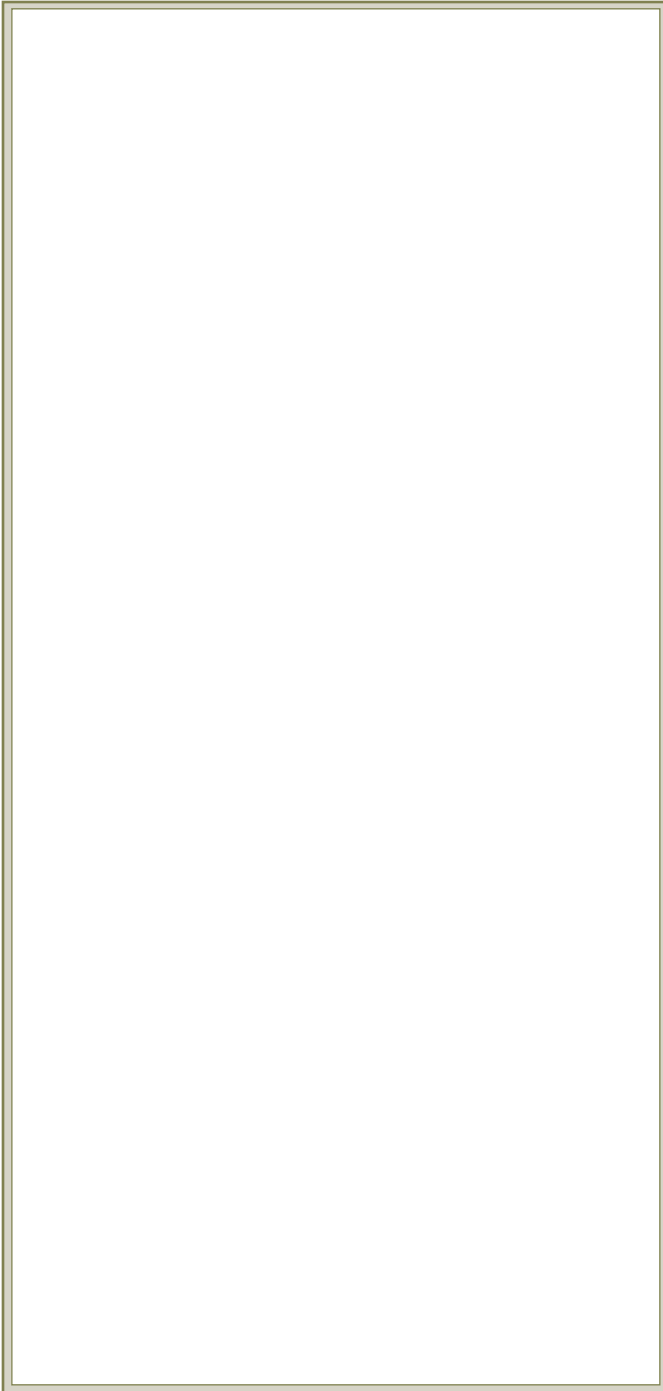

OmniOutliner (Mac) - Outliner software

ManeGate Linked

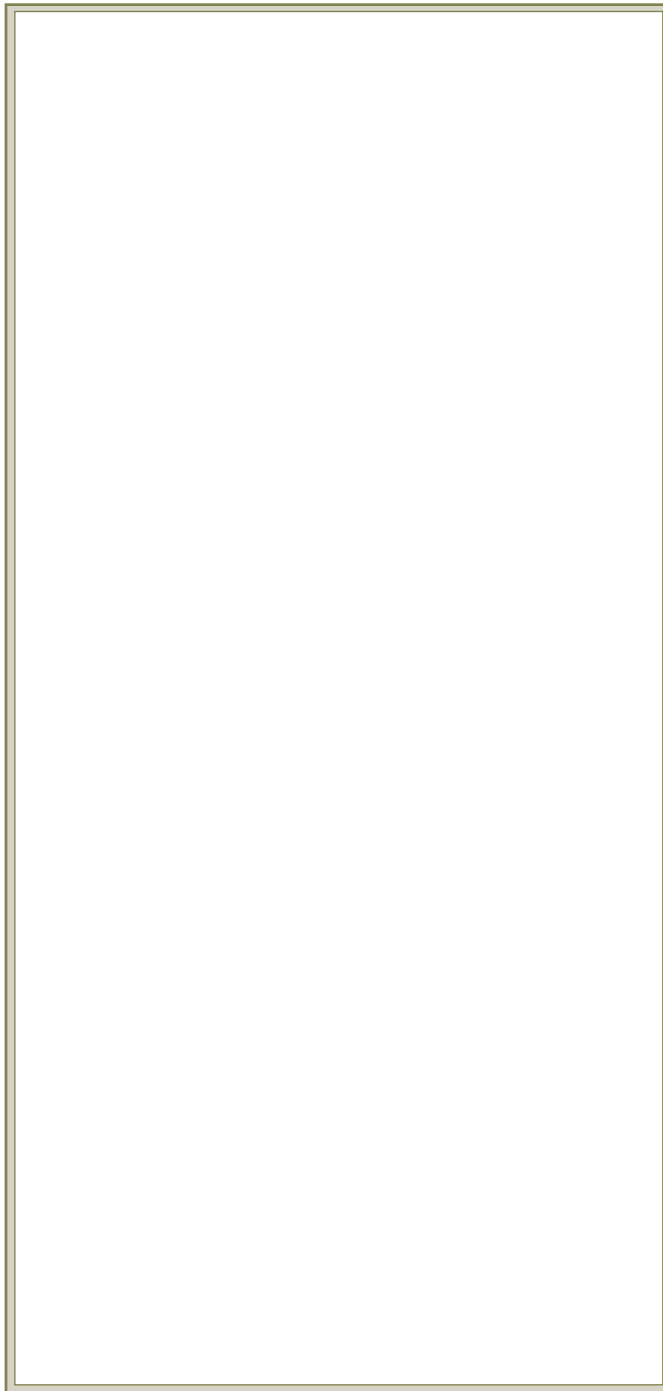

LionShare - Online file storage

Groups - Create class, organization, or small group sites within the LMU community

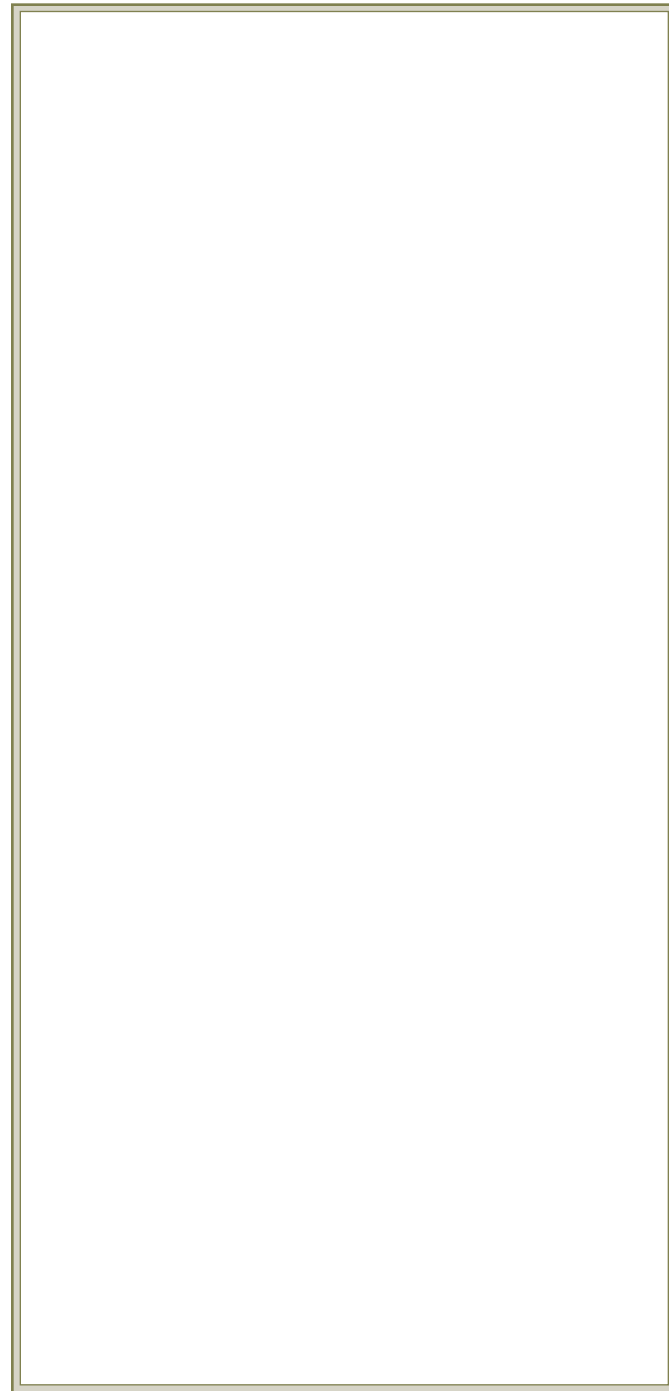

GOALS

A large, empty rectangular box with a thin black border, intended for writing goals.

TECHNOLOGY

A large, empty rectangular box with a thin black border, intended for writing technology details.

IMPLEMENT

A large, empty rectangular box with a thin black border, intended for writing implementation details.
